

Material Features:

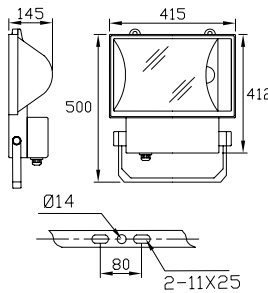

- High-pressure die-casting aluminum case, treated with anti corrosion electrostatic powder spraying
- High temperature-proof silicon gasket, Tempered safety glass

Applicable places:

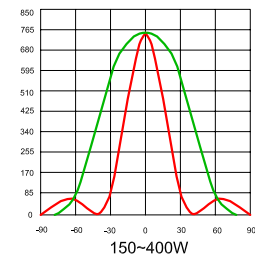

- Illumination of the Public Transport Stations, Docks, Playground, Building Sites, Parking Places, Construction sites etc.

IP65 Class I    

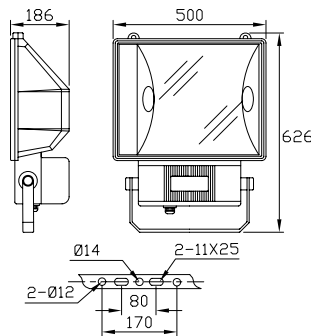

ELGT129-I (SYM)

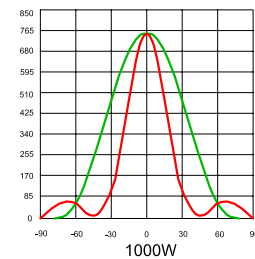

Light Distribution Curve (Cd/1000lm)

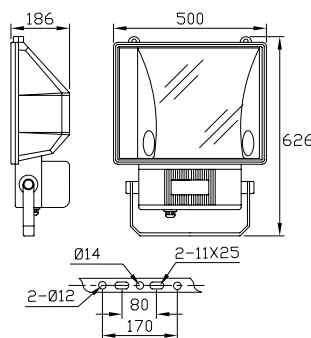

EGT129-II (SYM)

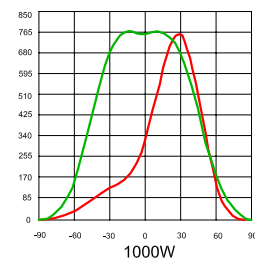

Light Distribution Curve (Cd/1000lm)

ELGT129-II (ASYM)

Light Distribution Curve (Cd/1000lm)

Model No	Light Source	Power W	Power factor pf	Input Voltage V/Hz	Lamp Type	Lamp Life Hr
ELGT129-I (SYM)	HPS / MH	150~400	>0.85	220~240V / 50-60Hz	E40	24000 / 12000
EGT129-II (SYM)	HPS / MH	1000	>0.85	220~240V / 50-60Hz	E40	24000 / 12000
ELGT129-II (ASYM)	HPS / MH	1000	>0.85	220~240V / 50-60Hz	E40	24000 / 12000
